MEMORANDUM FOR THE RECORD

SUBJECT: Briefing of Senate Aeronautics and Space
Sciences Committee -- 2 August 1965

1. I talked to Carl Duckett who advised that indicated last evening that, although he expects to be present at the briefing on Monday, Carl will do the actual briefing.

2. I reviewed the fact with him that General Gehrig has indicated that, although this is intended as an updating of information since our last briefing, sufficient substance should be presented so that Senator Stuart Symington and possibly Senator Warren Magnuson will not be left out in the cold.

3. Should there be any changes during the day tomorrow, Carl will advise me.
